EDUCATION

JNTUK UNIVERSITY COLLEGE OF ENGINEERING, *Vizianagaram*

AUGUST 2017 - JUNE 2021

Computer science and engineering

GPA -7.3

PROJECTS

-Indexing words in a book

This project is done in c-programming.
Here two files are given (large file and stop words file).
We have to skip the words in stop words file and index the remaining words in the text file. We have to save the remaining Words in large file with their respective line numbers in another File.

SKILLS

PYTHON,C/C++,
SQL,DBMS,
HTML ,CSS,PHP,
LINUX

Language Proficiency

C++,C
